Description of Problem

Please include a detailed description of the issues, as well as a description of and a copy of any professional studies, citations or reports from government entities, recommended solutions, and any cost information or estimates. If additional space is needed, please attach.

The existing fire alarm system in the District Administrative Office is a Simplex system. Ten years ago the building was renovated and several parts to the system were demolished. The system has not worked since. Recommended solution is to replace the old Simplex system. The Fire Marshall has not inspected this facility.

Project Category: Special Systems

Are any of the above-described issues in buildings or part of buildings that are leased to another entity, including a district sponsored charter school? N
